

During the hustle and bustle of a normal day at the Ajax Pickering Hospital, I know that it really does mean a lot to our members of staff to personally be told how much they are appreciated by their patients as well as their families and how their care makes such a difference in someone's life.

If you are not familiar with the [Circle of Gratitude](#) program it is a unique way to acknowledge a special staff member's dedication to their patients & their work.

In recognition of your donation, the staff member of your choice will receive your personalized message as well as an exclusive Circle of Gratitude pin as a physical reminder of your appreciation.

During 2019, we were proud to present Circle of Gratitude tributes throughout Ajax Pickering Hospital. Below is a list of all of the individuals and departments we were excited to recognize:

- > 10 individual departments, including
 - ~The staff of the Emergency department received Circle of Gratitude tributes from four separate donors
 - ~The staff of 2 West, 2 North, and ICU each received Circle of Gratitude tributes from three separate donors
 - ~The staff of 4 East received Circle of Gratitude tributes from two separate donors
- > 13 doctors, and
- > 16 individual staff members

Staff of the Emergency Department

Each time an entire department is recognized we organize a special celebration when we present a certificate and serve tea, coffee and a small treat to the staff as a way to say thank you on your behalf. The certificate is then

added to the "shout out" board that the Foundation has put up in the different departments.

Donations can be made in person in the Foundation office, over the phone or you can visit the dedicated website www.circleofgratitude.ca.
