

GIVING TUESDAY™

On this national day of giving - nestled between the excitement of Black Friday & Cyber Monday and at the start of the holiday season - we invite you to pause and contemplate **the good you can do right now!**

Staff member Emily with Shiv Bansal from The Shiv Bansal Team, who is matching all Giving Tuesday donations up to \$10,000!

TODAY the impact of your donation will go even further! For every dollar you donate, the hospital will get two thanks to the Team at [Shiv Bansal Real Estate!](#) That's because Shiv is generously matching all donations up to \$10,000.

You will help provide *comfort, care and dignity* to the patients that need it most through the Compassion Fund at Ajax Pickering Hospital.

Last year thanks to generous donors like you, Ajax Pickering Hospital Foundation was able to expand the Secret Santa program to reach 40 clients of the ACTT team that were in need.

And I want to share some

of the feedback we received from the staff:

"We really feel so touched by the amount of bags of gifts you provided for our clients. From the bottom of our hearts, we are so grateful!!! Thank you for the generosity from the Foundation."

"Yesterday I witnessed a client who was wordless and humble when he was given the gift bag as most of our clients haven't had this type of nurturing for long time".

One of our donors Susan, dropping off her completed Reverse Advent Calendar which will be given to a client in need right in time for Christmas.

The 2018 initiative had such an overwhelming impact on the clients who received these gifts that this year when we went for our annual visit to their office the staff asked if we could double our list in order to help the needs of their growing client base.

TODAY your donation will help us reach our goal of packaging up gifts for 71 clients. This support is so appreciated that the staff cry, the clients cry, I cry..... all good tears, I assure you. And I promise you that the gifts are put directly into the hands of those who need help.

By donating \$25 or more online today, we'll also receive an extra \$5 from Canada Helps.
